### About Me

As a passionate and patient Full Stack Web Developer, I bring a strong focus and a sense of responsibility to every project I undertake. With experience as an effective team leader, I have earned recognition for my contributions, including the Best Team Leader and Best Capstone awards during my time at Kodego Bootcamp. I am eager to continue and willing to learn to expand my skills.

### Professional Experience

#### Cybersoft Integrated Geoinformatics, Inc.

Technical Head Supervisor

2011 - 2020

Key responsibilities:

- Assign task to team member to ensure timely completion.
- Develop and maintain client's Vehicle Tracking devices.
- Responsible for testing of Vehicle Tracking devices both hardware and web before deployment to client.

### Achievements

#### Kodego Bootcamp

- Best Team Leader Award
- Best in Capstone Project Award
